Dear Club,

I am a real-life female sex slave, and love the life that I have chosen. At my Mistresses whim I will open my legs, bottom cheeks and mouth for anyone that she instructs me to. I am about 5' 4", with long blonde hair – slim, but with fairly heavy breasts and a wide mouth that I love to wrap around a big juicy pussy or cock.

Unlike the submissives in fantasy stories, I lead a normal workaday life, stocking shelves and behind the tills at a major chain store. However, after I have finished work each evening, and all through every weekend, my Mistress micromanages my leisure time entirely. It is hers to command.

I do not have to do more than my fair share of chores around Her house, nor would Mistress do anything so obtuse as to whip me for imagined faults. No, I am here for her use: to satisfy her every sexual need and whim. And use me she does! Every evening when I return home from work, I get on my knees in front of her and pleasure her with my tongue.

Sticking my face under her skirt, I pull her lacy skimpies down with my teeth. It is always a pleasurable and intense experience, inhaling her familiar scent and tasting her sweet stickiness on my tongue and lips. I have become very adept at pleasuring

Mistress, and know just the right places to stimulate with my long, pointed tongue. The reward for my efforts is the gentle stroke of her hand on my hair, and the delicious taste of her libations as they ooze from between her beautiful labia – truly delightful.

However, my Mistress also likes to see me being used like a slut and getting fucked by plenty of men. She has always enjoyed my penchant for thick black cocks, and sometimes she fingers me as I fantasise aloud about the nasty games I would get up to with a group of big black studs.

One evening last summer when I arrived home from work, Mistress had a surprise waiting for me. Instead of allowing me to eat her as usual, she ordered me to strip completely and to go into the living room. What a shock I got when I opened the door and saw four big brawny black blokes, each stroking his boner. I was dragged into their midst and felt them pressing their meat against me. With a fat black cock in either hand, and two more pressed against my mound and arse, I was in seventh heaven.

Those four guys did everything to me... I was bent over and held in place while a thick cock plunged straight into my cunt like a pneumatic drill. While my pussy was being

fucked hard, his mate stretched my jaw wide as he fed his length deep down my throat. Their technique was sensational, and for the first time I found myself in a complete sexual frenzy, pulling two cocks while being coked from either end.

I heard a camera snapping and saw the flashes as Mistress circled the group taking photos, and telling them to fuck me harder. The first bloke spuzzed off in my mouth and I almost choked with the sheer amount of junk that he shot down my throat and over my face. As if it were a signal, his mate jerked his load inside my quivering cunt, making me squirt as his thick meat filled me to the root.

I had barely got my breath back before their mates had taken up positions at either end. The one behind opened my cunt lips and stuck at least two of his fingers inside, scooping out globs of my previous front door visitor's cum. Smearing it on my ring, he forced his thick digit inside and began to finger-fuck my anal sphincter.

I loved it more than I would have thought possible, and when he replaced his finger with his thick knob, I came off like a steam engine, my pussy clenching and spasming as I chugged through a series of amazing orgasms.

When I gulped for air, the black bloke who had been holding my shoulders and watching the display took the opportunity to rub his pre-cum across my cheeks. He pulled me upright and carried me over to the table. He was bigger than the others and his cock was a formidable size. He laid me on my back on the dining table and pulled my legs up and over his shoulders before ramming his big cock inside my oozing cunt.

As his outsized prick reamed my clenching cunt, I began to near climax. Mistress wanked one of the other studs' cocks over my face, and the sight of her long delicate fingers manipulating his dark shaft brought me even closer to the edge. My pussy was beginning to clamp around the pounding penis that was plunging inside my hot slot.

While the big penis throbbed inside me, Mistress brought the other cock to climax and aimed the stud's mess across my hair and face. I was creaming myself while I licked as much spunk as my tongue could reach. The big prick suddenly shuddered and my cunt was filled with wads of warm semen.

The stud pulled out and my Mistress took me in her arms and told me I was a very good girl. I literally reeked of cum but she raked my junk-plastered hair back and softly kissed me, tasting the traces of semen from my skull-fucking.

Since then, Mistress has invited several groups of men to use me. And when they have all junked on me I just love to run my fingers over my body through the warm, sticky streams of cum pooling between my tits or on my tummy, and then lick my fingers while looking my precious Mistress deep in her eyes and thanking her.

BROOKIE ♣

Bad-ass Club girl Brookie Little's back in the saddle (ahem), so to speak with this gritty set that's taking more liberties than one such famous statue and leaving us packing something rather solid as a result. I think we're ging to have to start wearing baggy trousers at this rate! ♣

Sin with Cindy...

Cindy Hope's one of those girls we've kept a bit of an eye on ever since she broke into the business – not really for any particular professional reason, just because we think she's such a saucy little minx and we rather enjoy looking at her. Well, she's now repaid our interest in spades, having developed into the sort of model who's stunning enough to pull off a set like this! Just looking at her again now has got us twitching all over in that special way – ooh, what we wouldn't give for an hour or two alone with this stunner! ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BUSTY BUSTERS

Until relatively recently, I had always dated slender-looking birds with B-cup bras and very little beef on their rumps. They were cool to be seen with, and some of them were even very sweet girls to be with, but few of them did it for me properly in the trouser-snake department. It was more about arm jewellery than anything else. A couple of them were aspiring fashion models; tall, willowy girls with smaller tits than me, and I was getting bored of taking girls out for a meal, and watching them pick at their bloody salads.

I'm a second year engineering student and, as my parents are both fairly well to do, I enjoy the luxury of having a flat to myself. Since becoming to university I have become independent and I now no longer feel the need to run with the crowd.

Since I first sank my rod between two softly rounded thighs into a warm fleshy mound, I've been totally smitten by larger ladies. I'm continually on the lookout for ladies with big bouncing bristols, neat waists and generously rounded hips. I'm not into the absolute 'chubby chaser' thing, but if I'm out on the pull and a model-type girl has a curvier mate, then that's who I'll go after.

The first really enjoyable fuck that I had was with a fellow student called Catherine. She fitted every mental picture that I had ever envisaged of my ideal woman. Catherine had long, dark hair framing an attractive face, deep blue eyes, full lips, and a voluptuous body that would not look out of place in a pre-Raphaelite painting.

She first caught my eye when she arrived

late for a lecture. Her face was flushed. Her clothing was too restrictive for such exertion, and her big breasts seemed to be ready to pop out of the top of her tight, low-cut blouse. I guided her to the seat next to mine and after the lecture I chatted her up until she consented to a date.

Catherine proved as sexual as she was desirable. After a pizza and a couple of glasses of wine (I already liked her when she turned her nose up at the salad bar!), she agreed to come back to the flat. The moment we were inside the door I pulled her close to me. Placing a hand on each of her glorious buttock cheeks, I squeezed them hard, pulling her tightly against my bulging crotch. She wriggled against me, further igniting my ardour.

Lowering my face to her magnificent cleavage, I kissed the exposed skin of each soft pillow of breast flesh, before standing back and opening her blouse. Peeling it back over her shoulders, I pulled it halfway down her arms, pinning them to her sides.

I manoeuvred her onto the couch while I stripped. She was wriggling sensuously; her efforts making her big breasts wobble and heave. Her short skirt had become hitched up around her waist and she was rubbing one softly rounded thigh against the other. The nylon fabric of her hold-up stockings rubbing against one another seemed to cause her pleasurable sensations because she began moaning softly as if attempting to bring herself to climax.

I knelt between her feet and gently parted her knees. Stroking the soft, white satiny skin above the tops of her hold-ups, I lowered my face and nuzzled my way between them until I came to the juice-stained gusset of her panties.

She was hot and wet, and so ready for fucking that I almost came there and then as a powerful whiff of her pheromones assailed my senses. Here was the sexiest bird I had ever touched, literally dripping in readiness for my prick, and I was going to make bloody sure that I satisfied her so she'd come back for a whole lot more of the same. Sucking her pussy through her panties, I worked on her crotch until her buttocks were bouncing up and

down on the sofa in her effort to cum off. I unsnapped the fastening on her bra and the weight of her bosom pulled it forward, allowing her knockers to swing free.

She had an enchantingly sensual body, and I could not even contemplate taking her for the first time on the sofa or the carpet. So I escorted her through to the bedroom and, positioning her on her back with her legs wide apart, I removed her panties. Her body was now naked and displayed.

I wanted to do her in every hole, and with a sense of urgency I set it to... with a great deal less delicacy than I had intended. Climbing between her thighs, I forced my helmet inside her pussy lips. She was well ready to rock and roll, and tried to push me further in, but I made her wait until I had a fistful of tit in each

hand. Using my elbows for leverage, I plunged my cock further inside her oozing cunt, while her body bucked under me. Catherine wanted to be fucked and she wanted it hard, so I obliged!

Digging my fingertips into her breast meat with each downward thrust, I mauled her big fun bags until she screamed out as the first orgasm ripped through her. Her strong pussy muscles snatched at and contracted around my pole, causing thrilling sensations to pulse through it. I was hot and sweaty and ready to shoot, but my instinct told me that if I was selfish and

did not completely satisfy this beautiful girl, I might not get a second helping.

Holding back, I slowed the pace and waited her out, allowing her agitation to subside before continuing to pump her. She began clawing my back as I increased the pace; this time I wanted her to feel the full ferocity of my cock deep inside her.

Reaching back, I took an ankle in each hand and, bending Cath's knees slightly, I pulled her legs up towards her shoulders. This raised her arse slightly off the bed and, telling her to hold her ankles in position, I placed a pillow under her buttocks. Taking hold of her

“I felt her soft wet tongue work its way up and down the length of my shaft.”

ankles once again, I forced them even further back until they were almost on a level with her face. In this position, I was able to achieve really deep penetration, and she moaned as I buried my cock deep inside her smouldering box.

She was almost crazed now, her pussy contracting and squelching maniacally. I rammed her hard, as multiple orgasms ripped through her, causing her to scream and flail around beneath me.

Cath was sobbing for breath and still squirting from her gash when I pulled my cock out of her. It had been a huge effort to contain my excitement and I was feeling tired from the athletic bombardment of her gaping slot. It was now her turn to entertain me.

While I sat propped up by pillows and sparked up a cigarette, Catherine set to work gently sucking my knob. I asked her to take it easy, as I intended to prolong our pleasure. It was an intimate moment – unlike the frenzied fucking that had gone before. Now that the urgency was over, I was determined to take the time to explore her soft curves and wet places at my leisure.

As her tongue lapped at the purple crown of my cockhead, I inhaled deeply and allowed her to pleasure me. It was probably the best smoke of my life and, as I felt her soft wet tongue work its way up and down the length of my shaft, I felt a shiver of delight shoot through my balls as they tightened and hardened.

At length, feeling revived and ready once again for action, I turned her onto her hands and knees and moving in behind her, began to caress the full cheeks of her arse.

They were soft and smooth and extremely enticing, and I ran my cock across them, leaving a shiny trail of pre-cum across their surface. Catherine was squirming with anticipation, her pussy lips opening and contracting slightly in expectation. When I asked her if she had ever had a cock inside her arse before, she wriggled and stuttered that she had: “once or twice.”

Clearly she was used to being fucked every which way and was happy to allow me to use her as I wished.

Parting her bum-cheeks wide, I began to tongue her arse cleft. She was still on the boil when I dipped my tongue inside her slit and began to lap at her labia. I licked upward towards her little-crimped anus and, on reaching it, I circled the circumference, rimming her pale pink rosette.

“**Prodding her ring with a fingertip as she came close to her second climax...**”

Catherine contracted her bum cheeks, tightening the entrance to her rectum as if to warn me off. But I was determined to have her bumhole, and to that end I continued lapping around her ring while reaching forward to play with her clitoris. Thumbing, tweaking and flicking it, I brought her to orgasm as I fingered her dripping slot with my other free hand.

With my fingers now coated with her essence, I began to finger her sphincter and clit simultaneously. Prodding her ring with a fingertip as she came close to her second climax, I waited for it to peak, and as she writhed around on my hand, I pushed my digit inside her tight little anus and twisted it slowly around.

As I massaged the inside of her rectal cavity, she relaxed and pushed back on my finger. After gently moving it around I removed it and taking the ever-ready tube of K-Y jelly from my bedside table, I lubed both her anus and my cock. Pressing my helmet against Catherine's anal opening, I reached underneath and plunged three fingers into her pussy and began to frig her passionately.

Soon she was rocking back and forth rhythmically on my fingers. As she began to contract her pussy muscles, I pressed my rod harder against her anus and, stretching her sphincter, felt it give way and my cock slide inside. Sawing my dick in and out of her tight hole was amazing, and I enjoyed every second of our first anal fuck.

Catherine warmed up and became enthusiastic, cocking her rump high in the air to meet my forward thrusts. Her tight ring gave me tremendous blasts of pleasure, and very soon I was on the verge of my own climax.

Withdrawing my todger, I moved around to her mouth. Without hesitation, she opened wide and greedily sucked on my member. I could hold back no longer and spurted great globs of my cream inside her mouth, watching it spill and dribble out of the corners and spot deliciously onto her softly rounded breasts.

We had high hope for Sky TV's big budget Arctic drama *Fortitude*, but how disappointed we are by it can be summed up in our 'hilarious' one word review: *Fortitude*. That's not the fault of Sienna Guillory, however, the 39-year-old Londoner peppering things up marvelously with a nude sauna scene. It's not her first flesh flash, having showed us her funbags in 2005's *Silence Becomes You* and 2003's *The Principles of Lust*. She was also the best thing in 2003 TV show *Helen of Troy*. *Fortitude* may well suck, but we wish Sienna did as well... ♣

The month's of June and July shall blossom fruitfully and give pleasure to man', so somebody or other wrote; probably the Bible, it's quite a saucy read at times! So high and low we hunted faithfully anointing this as a prophecy, when who should we come across but this sun-seeking belle. Now having taken this as verbatim we can proudly present our debutante for this issue, the stunning stars and stripes beauty Jessi June, safely in the knowledge that it is destiny calling. ♣

One couples standoff turned into a stand up after they refused to surrender to police until they'd had sex, one last time. Ryan Bautista, 34, and Leanne Hunn, 30, allegedly barricaded themselves inside a mobile home with three other adults for six hours. Baustista and Hunn have both got several warrants out for them, including one for armed robbery. Eventually, the couple were

arrested adding resisting police and false imprisonment to their growing charge sheet. A coal ladened stocking I think is in order here.

Driverless cars

Man's best friend really does take the heat sometimes, as one humble pooch found out after his owner tried to pass the buck. Reliford Cooper, 26, gave chase to police after he was caught speeding and proceeded to run through a stop sign and two ditches, before eventually being brought to a standstill after crashing into a house. While Cooper was being cuffed, he told

deputies "I wasn't driving that car" And allegedly elaborated that his dog had been. We think he may have been barking up the wrong tree.

51-year-old Gary Victor stands accused of robbing an auto parts store after his disguise unraveled. Victor was caught on surveillance breaking into the store with a sanitary towel stuck to his head, stealing several battery chargers and a flashlight. Fortunately, Victor had been spotted canvassing the store earlier the same day on the internal CCTV. Once all the police

laughter had subsided the sanitary suspect was quickly apprehended and the stolen items returned to the store. The maxi pad mask has been hygienically bagged as evidence.

No offence to the nice Eastern European blokes who do such a good job cleaning our motors at the local carwash, but they could do with learning a thing or two from Alexis. Okay, she isn't doing that good a job – we'll probably have to get it done again – but it's all in the way she's doing it. She realises that what matters isn't the turtle wax – it's showing us her pussy, arse and tits and lathering them up. Actually, come to think of it, we really don't want the blokes at our carwash to do that... ♣

AMELIA 

I think the office just got steamy with the arrival of this bountiful beauty. Amelia Brookes, current Babestation presenter and all round saucy madame has been getting carried away in front of our cameras this month. So much so that we had to order some ice packs to adorn our crotches as our balls reached boiling point within minutes of Amelia and her handsomely hefty bosom, bopping about in front of the lens. We eventually had to turn our backs on Miss Brookes and walk away, if only to redistribute the blood back around our bodies in an equal fashion.♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

DESIGNS ON YOU!

Hey baby. I'm a graphic designer at a web agency, and I work in the funky basement office. You can probably tell from looking at me that I flirt with the guys all day long, and come home-time, I'm gagging to have my pussy filled. Sometimes, I'll put on some sexy underwear, like a pink suspender set, underneath my suit, just to add that little bit of spice to the day. I'm not stupid enough to fuck anybody I have to sit across a desk from month after month, but this office has certainly seen its fair share of sexual tension! Will you please come and help me relieve it?

It's 8 o'clock, and everyone's left the office. God, it's worse in the summer, everyone goes berserk over the flesh on display outside at lunchtime, and is panting all the way through the afternoon. I'm dressed up, and waiting for you, draped over the chair as I hear you walking down the metal staircase. The chair is pink and fluffy, and the tickling of the soft fabric as I lay, legs apart, draped over it, is making me wet. My firm titties are spilling out over the top of my pink basque, I have one leg over each arm of the chair, and one hand grasping the back of it. With the other hand, I stroke my pussy through my flimsy black knickers as you walk towards me.

You reach the bottom of the stairs and your

eyes flick over my prone form, resting for a while on the damp, gauzy patch in my knickers. Unbuttoning your fly, you approach me, dick bobbing in the air as you walk, until your crotch is level with my face. I'm still touching myself through my panties, lightly flicking a nail across my clit as I poke the tip of my tongue out from between my lips. It sticks out, pink and wet, before I slowly and sensuously run it around my lipsticked mouth, then blow you a kiss.

Taking your cock in your hand, you use the other to grab the back of my head, entangling your fingers in my tresses and pulling my face towards your cock. You rub your fat helmet around my coloured mouth, covering your purple crown with a shiny smear, before widening your circling to deliberately smear my chin and cheeks with lipstick. You like the slutty look, huh? Good, I like that, too. Your prick's butting against my sealed lips now, seeking entrance. I keep them closed with a

on your face. I straddle your head, facing your cock, so my dripping pussy is inches from you. My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal, and see everything; my clit peeping out from my hood, and the gleaming, deep pink entrance to my pussy, framed by delicate pink lips, with shiny lines of girl juice strung over the whole ensemble.

I lean over and start to tickle your balls with my tongue, exposing the dusky dot of my arsehole. As hairless as my pussy, the knot of muscle sits quivering between my smooth cheeks, exactly at eye level. You feast your eyes upon the entire spectacle before you for a second, before diving in, your tongue delving deep into my cunt. There is a moment of resistance before your tongue breaks through, sliding along my soft flesh and tasting my creamy depths.

Lifting my head up for a minute, I groan my appreciation, before sinking down onto your

“My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal”

little smile, but I'm just playing.

I open my lips a little to lick them again, and flick my tongue across the end of your cock as I do so, tasting the salty tear leaking from your Jap's eye. Placing my soft, pursed lips over the end of your crown, I flick my tongue backwards and forwards within the flesh-encased area I have created, making you shiver. As I lap at your cock-head, I'm still playing with my pussy, slipping my finger underneath the gusset of my knickers to properly appreciate the wetness of my slit. I gently explore my moist, fleshy folds, stroking my hairless pussy lips delicately as my tongue squirms around on your cock, your helmet shiny as it pulses with pleasure.

“I want to taste how wet you are,” you say, before taking hold of my arms and pulling me off the chair. You tear my basque off me, leaving my stockings, and lie on the floor on your back, erection straining against your belly, and tell me to come sit

cock, taking all of its length in my mouth in one go. This position allows me to get that extra inch further down your prick; I take in as much as I can, so I feel I'm inhaling cock, then tilt my head forwards, and it slides in that extra glorious inch, clicking into place – a perfect fit. I love the feel of being stuffed so full of cock that I can hardly breathe, and move my head around slightly, so I massage your swollen member with the soft flesh in my throat, as my pussy pulses gently around your tongue.

You lick my slippery pussy walls with the tip of your tongue, before retracting your tongue a little, coming back out to dance round the entrance, flicking from side to side. I come back up your cock, wet lips firmly encircling you all the way back up to your helmet, past the ridge and right up to the eye again, sucking as I go so I come off the other end with a loud 'schlurp'. Moving in wide circles around my clitoris, your tongue causes sparks of pleasure to coarse through my sex, before you pull my pussy lips further apart with two fingers, and gently lick up and down across my actual button, keeping your tongue beautifully broad and relaxed.

I lick my hand and wrap it around your shaft, swirling my tongue around your crown, licking around the rim, kissing the frenum, my tongue darting into your Jap's eye. Your fingers have

joined in on the act now, sliding one finger into my aching hole, as you enjoy the feel of my pussy clinging to your finger, hugging you wetly as you massage my hot hole. My other hand is gently fondling your balls as I wank your shaft, my head bobbing down on each upward stroke so my lips meet my fingers and your whole length feels encased. Spit-soaked fingers can feel every vein in your shaft as I slide up and down it – I can even feel the blood pumping inside you.

You slide another finger inside me and shove them in and out as you circle my clit, my button prominent on your tongue. My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, then you pull your fingers out, my juices dripping on your face, and explore my arsehole, pulling my cheeks apart with both hands for a good look before running your juice-soaked fingers along my crevice. You stroke the puckered flesh with your fingers as I deepthroat you once more, cock clicking onto place like it did before, and you pause from licking my clit briefly to look down, watch my tits dangling and my reddened face engulfing your cock.

I'm close to cumming, you're flicking over my clit again, and I grind my pussy into your face as I deepthroat you, covering your mouth, nose and chin with my sticky secretions and bucking my hips so that I'm smothering you with my pussy. Your fingers claw at my arsehole as I ride your face, hugging your cock in my throat, and you thrust your tongue deep inside my cunt again. It's trembling with pleasure, and you ram your muscle in and out of me while I smear you with my juices, finger circling round my asshole but not quite going inside, stimulating the sensitive entrance.

Our bodies are locked together in a sweaty mass, when I feel the prick rammed down my throat stiffen. Your tongue's in my pussy and you can hardly breathe as you erupt deep in my throat, your cock twitching in my mouth, so deep I can't taste anything, I can just feel the hot jets of spunk lashing against my throat, spurt after spurt, and trickling down into my tummy.

As you unleash your creamy torrents inside me, you surprise me, and thrust a slippery

“**My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, juices dripping**”

finger into my bum. I squeal onto your cock, still twitching in my mouth, and grind my clit against your lower lip and chin until your tongue snakes out of my pussy and remains sticking out from between your lips. I have a set of three ridges to grind myself against, thrusting myself down onto your cum-covered face as you lap at my clit, thumb pushing further and further into my behind.

I cum with a wail, your cock still in my throat, my pussy beating out its rhythm of pleasure on your face, pulsing over your lips. Surges of electric ecstasy wash through my body and I gyrate onto your face in time with them, cum dribbling down onto your face, until my orgasm subsides, and I collapse on top of your body.

Fuck knows how we managed to do it, but our writhings have sprayed the contents of the 'in' tray all over the floor, including over us. The sweat-drenched sales figures papers should be fun to explain tomorrow!

CUMMING CLEAN!

My husband is a regular *Club* reader and since I discovered his collection so am I! I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys, as if your wife isn't going to look under the bed!). And once I've got my mitts on it I feed my pussy a fist full of my fingers thinking

“I got on my knees and gently took his prick in both hands, licking up and down his hard length”

about your gorgeous girls. I get wet and dirty reading other girls' filthy secrets, but as much as I love them I always climax on my very own story. What pushed me most to tell you all about it is the thought of my husband secretly wanking over this story with no idea it's about me! I've always been very flirty with guys and didn't intend to stop that after saying 'I do'. But I never in my wildest fantasies thought I'd be having the best sex of my life with someone other than my hubby!

It all started when we moved into our new home, miles away from friends and family. I soon found my days a bit empty and dull and with Tom out a lot either working away or following Chelsea FC, I decided to go out and find some fun for myself. Whacking on the tunes I washed my auburn locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress I looked pretty darn good. Far too good to be stuck at home baking pies and running round with a duster on a Saturday night. As if!

I admired my long, tanned legs in our hallway mirror. Knocking back vodka for some courage I finished off the look with my outrageously expensive, patent black, six-inch heels. Looking this hot I knew I wouldn't have to wait long for some (much needed)

male company. It's funny how a tall, red-haired twenty-something can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't seem to mind, and with the vodka kicking in I worked the room.

Within seconds I spotted this bloke sitting quietly in his work gear. My heart started to thump under my breasts as if I knew I'd found my Saturday night fuck ticket! He must have been a builder as he was all mucky and wore a pair of those boots with the big bulging toecaps. As I glided over to the bar I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a smile and a cheeky wink, he offered to buy me a drink and we soon got chatting. To be honest I wasn't really listening to much of what he was saying as my whole body was aching to be touched. His strong working hands cupped his pint but I just wanted them clawing off my clothes.

He smelt of man – the scent of a hard day's work – and as I nodded along to his conversation I felt my pussy gently tingle with excitement in its little pool of juice. After a couple of hours he finally offered to drop me home. I think it was my shrinking dress that did the trick. I'd hitched it so high I might as well have taken the bloody thing off!

Well we soon got to where I wanted to be – my front door. I ran my hands over his stubbly, strong face. The softness of my fingers glided over his lips and he knew he had the green light. Opening the door he gingerly stepped in, his muddy boots leaving a trail of dirt on my cream carpet. If Tom had made that mess I'd have had a fit, but with Jay it somehow turned me on and I followed the dirty trail straight into his big, strong workman's arms.

His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this. In one glorious swoop he swept me off my feet and headed straight to my brand new three-seater sofa. As we fell into the sofa the weight of him pushed me deep into the cushions. I knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly.

Lifting up his shirt I unwrapped a body to die for. His perfect muscle-bound chest weighed heavy on my small frame and his

cock dug into my thigh through his dusty jeans. My hand wandered down and found his belt. Unhooking him, I teased myself by slowly unzipping his jeans. As his cock sprang out in a bounce for freedom my eyes widened in shock and unadulterated joy. I knew I'd picked a winner and nine inches of thick dick was my trophy.

A surge of energy I'd never experienced before ripped through my body and I freed myself. I needed to get my panties off and get that cock inside me. Ripping off my dress – what was left of it – I exposed my body. I felt tiny compared to him and desperate to push his cock deep into my cunt. I got on my knees and gently took his prick in both hands, licking up and down his length. As my hands rubbed up and down on him my spit slipped around my wedding ring, but Tom was the last person on my mind right then.

As Jay reached the peak of his erection I crawled up his body. I was so wet by now I wasn't interested in foreplay. Slipping myself down on him, my hands grabbing onto his broad, hairy chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon I tried to distract myself by thinking of my messed-up carpet and dirty new sofa, but it only made me worse and I spurted out my clear, sweet cum while letting out a loud scream of pleasure.

I bit my lip and gave him a sheepish giggle. He laughed and stood up with my legs wrapped round him. Staring right into my embarrassed eyes he said, 'Let's do you again, and this time give me a chance to join in!' Well that almost gave me seconds on the spot! Sexy and considerate – what more could a woman wish for? I managed to muster some self-control in my over-excited pussy! Pushing me up against the wall and knocking down the picture painted by my mother-in-law he began to pound me like a pneumatic drill.

I'd never been taken like this and as his body slammed into me with each fuck thrust I could feel myself losing control again. Sensing this, he picked up the pace even more and then let out a yell of release as he came, giving me the green light to let loose again. My pussy burst like a broken pipe, spraying juice onto his warm, creamy cock.

Breathless from our bout of bonking, we fell back onto the sofa's soft cushions and into a deep sleep. The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet!

ZOI ♣

One day we entered the studio to find sunlight streaming in and perfectly haloed by this blazing glory was Zoi. We rubbed our eyes in disbelief at the leggy beauty before us, and then, like all men, our thoughts ran immediately to our trousers. This was going to be a difficult one to hide. So in the end, we made no secret of the fact Zoi was pushing all our buttons and were outrageously flirtatious with her instead. I must say, she bore the whole ordeal very well, considering she was dealing with a bunch of dribbling idiots who had forgotten the foundations of the English language. So hats off or heads out as we preferred.♣

These **DVDs** contain extreme, taboo sex action. Please **DO NOT** purchase if you are likely to be offended!

BEXIE 

Well, well if it isn't our very own wandering nomad Bexie Williams, who self-confessed she prefers the beach life, but here she is folks, just for you scantily clad and oozing sex as per usual and not a grain of sand in sight. Tricky stuff sand it does

tend to get into awkward places... "Yes, especially if you start getting into some bump and grind," Bexie says with a naughty smile. Oo-er, clearly Bexie does more than turn the pages of the latest bestselling novel while sprawled out under the sun.

NINA 

It has long been known that travellers are never truly lost if they can find the North Star. So when we travelled across the seas to the land of stars and stripes, we were guided by a Miss North, and the fact that our pricks were continually pointing towards the young lady like an internal GPS (who needs TomTom!). This 21-year-old is one fiery ball of desire, and Nina is well on her way to knowing it, as she glares unflinchingly at the lens and makes mincemeat of our sentiments towards her beauty. So we crack out the naughty talk, and Nina seems to prefer that as she giggles and bats back. A dark horse here we think.
